Bocchi, with 65 years of experience, is a leading brand in bathroom producers sector. Since its establishment in 1950, the mission of Bocchi has never changed: creative and innovative excellence and care for people. Bocchi's mission has always been to offer our partners innovative, high quality and creative solutions in products and service. Today, Bocchi brand stands for design, quality and care for people. Bocchi is aiming to maintain and promote these values in the future.

Italian designers Claudia Danelon and Federico Meroni both graduated in Industrial Design at the Politecnico di Milano. They Started collaborating at university and have been working together ever since. Their design studio, Danelon Meroni is now based in London, where they Live and work.

During their Career they had the chance to work internationally for small and large companies in areas such as home and office furniture, retail environments, lighting, tableware, bathroom and wellness products. Their collections of home and bathroom furniture have been displayed at the most important trade fairs in Europe.

She was awarded B.S. degree by the 'Department of Industrial Design of ODTU in 1987 and a Ph. D. degree by the School of Architecture of ODTU in 1990. She has been working as a part-time lecture for the 'Certificate Program for Design Culture and Management' of Bilgi University since 1999. Gamze Guven is the owner of Tasarim Ussu Ltd. Sti. An industrial design company. She has designed products for Bocchi.

Mey Iki, Opet, Ana Gida, Sisecam, PSL World Retzenhoff which manufacture products in different markets, Questioning the meaning of the products and packaging Guven tries to discover concepts resulting from visual and haptic perceptions and to reinterpret those concepts.

ECO FRIENDLY

CEVRE DOSTU KLOZETLER ECO FRIENDLY
TOILETS VASI ECOLOGICI

As Bocchi, we strive to be ecofriendly and flight against the risk of drought caused by global warming. With this in mind, we are pleased to announce our water saving "Eco Friendly Toilet" initiative. Operating only with 4, 5 lt of water, bocchi "Eco Friendly Toilet" decreases the amount of water needed for the perfect flushing and helps to save annually 30.000 liters of water for an average family. We invite you to Bocchi world to save our natural resources for next generations your money.

L'acqua non è solo un bene prezioso che non deve essere sprecato rappresenta anche un costo. La tecnologia "Vaso ecologico" riduce l'acqua utilizzata per lo scarico a soli 4,5 lte consente ad una famiglia di quattro persone il risparmio reale di circa 30.000 litri d' acqua all' anno. Vi invitiamo ad entrare nel mondo Bocchi per salvaguardare le risorse naturali del nostro pianeta per le generazioni future e allo stesso tempo risparmiare sui bilanci domestici.
